LE GRAND ALEXANDRE PRESENT

NOSELESS

Visual Comedy and Poetry without Words

Alone at home, a clown is waiting. Like many, he has only one desire : to find pure and true love. In the solitude of his house as unique as him, this romantic is ready to do anything to provoke *la grande rencontre* and does not hesitate to put himself in the most incredible situations to achieve his ends. Here, objects come to life, time flows differently and Love is not always where one expects it ...

In this show without words woven with humor and poetry, Alexandre drops his mask and finds himself face to face with his vulnerability, his own and that of his clown, this being who, head in the stars, trips over his own shoelaces.

Duration : 60 minutes (without intermission)
General public
